

Photo Montage Worksheet

Please Print Clearly

Please use this worksheet when submitting photo's for your custom photo montage.

Photo Submission:

For your convenience, you may submit your photos for inclusion in your custom photo montage by means of printed photos or on CD in **Jpeg** format. You may submit your photos at anytime prior to your wedding.

FYI:

If submitting printed photos, prints that are on matte paper as opposed to glossy paper produce a better scan, but we certainly can accept glossy prints. Photo's will be used "AS IS", with the exception of slight cropping to fit video format and removal of Red Eye if necessary. Generations will not be responsible for restoration, color correcting, enhancement, or repairs of photos submitted. Generations can not include any photo in your custom photo montage that is marked with a copyright logo. In the event that you would like to have a copyrighted photo included, please obtain a copyright release from the owner.

It is understood that the quality of the photo montage is dependent upon the quality of the photos submitted.
